Dear M. Rodriguez,

Thanks for bringing to my attention the documentary project "Jewels of Spain". This film serie is indeed of great interest and will, no doubt, enhance the cultural presence of the Sephardic community in the different countries you are dealing with. This documentary will definitely contribute positively in terms of passing history to the next generations and building a peaceful coexistence of different cultures as well.

Therefore, the French Embassy is happy to support this project: a concrete step, once it's completed, could be its screening in our different venues in Turkey.
Wishing you the best success in the accomplishment of this ambitious shooting,

Yours sincerely,

Fanny Aubert Malarie
