

Il Consolato Generale d'Italia
I S T A N B U L

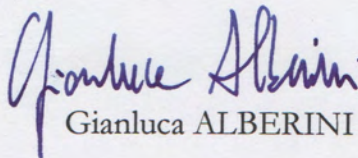

Istanbul, 07 February 2013

Dear Mr. Rodríguez

I have read with interest your letter dated January the 22nd 2013, whereby you outline your worthy documentary TV Series.

I believe that such a project has the potential to improve and spread the knowledge of the history and the cultural presence of the Sephardic communities in their countries of origin or adoption, including the Jewish Italian community of Istanbul and its rich heritage.

Sincerely

Gianluca ALBERINI
