Bebek - İstanbul

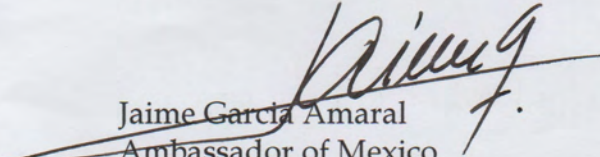

Ankara, 5 November 2012.

Dear Mr. Rodriguez,

I have read with interest your letter dated August 14th this year, whereby you introduced your documentary project "Jewels of Spain" about the Sephardic community in different countries.

I consider that your project will contribute to outline the cultural and social presence of the Sephardic communities at their countries of adoption.

Yours Sincerely,

Jaime García Amaral
Ambassador of Mexico
