Dear Mr. Rodriguez,

Thank you for your letter dated 22 January 2013 outlining your project "Jew'els of Spain".

This TV-documentary promises to give an insight into the fascinating history of the Sephardic communities from different country. It will no doubt be an important contribution to the historical awareness not only of these communities themselves, but also of the people in the countries of origin and destination. As always, more knowledge about the history and culture of other peoples will contribute to more understanding and tolerance.

I wish you every success with this project.

Yours Sincerely,

Onno Kervers
Consul General
